ROAD & RAIL SERVICES AWARDED 2015 MOSAIC PLATINUM SAFETY AWARD

LOUISVILLE, KY — Road & Rail Services, Inc., a Louisville, Kentucky-based leading provider of rail related services in North America, was recently awarded the 2015 Mosaic Platinum Safety Award, recognizing its excellence in safety leadership and performance for its operations in Bone Valley, Florida by fertilizer producer, Mosaic Co. The Bone Valley team, which is led by Chris Purdy, Aaron Ellingsworth, and Thomas Ruff, is committed to raising the bar for safety performance.

The award is given to companies that have met established criteria for safety performance and earned Mosaic's gold standard award for five or more years. Road & Rail Services, who is continuously recognized for its commitment to safety, was the only rail-related contractor to receive a Mosaic Award for 2015. They were among approximately 2% of contractors network-wide — out of over 700 — to receive this prestigious award. Road & Rail Services was presented with the award at Mosaic's annual conference on rail safety in Birmingham, Alabama.

Established in 1987, Road & Rail Services is a recognized industry leader and a top-tier provider of rail related services to railroads, to rail shippers, and to railcar owners. With a reputation for excellence, the Company provides service solutions with competencies in train operations (railcar switching and shortline operations), in maintenance operations (rolling stock, infrastructure, and track assets), and product handling. Road & Rail Services has operations in 18 states and has a significant impact on the North American rail network, as recognized by numerous industry awards. The Company enhances operating velocity and asset condition within the automotive, aggregate, coal / utility, intermodal, paper, and steel / metals industries.
