ROAD & RAIL SERVICES NOMINATED FOR 2015 AMERICAN HONDA PREMIER PARTNER AWARD .

LOUISVILLE, KY — Road & Rail Services, Inc., a Louisville, Kentucky-based leading provider of rail related services in North America, was recently one of approximately 30 vendor partners nominated for American Honda's coveted Premier Partners Award. This highly valued Premier Partner award is given to a small select group of American Honda nominated vendors that display daily excellence in performance with their respective Honda business.

“Out of hundreds of vendors that support Honda's daily operation, it is a real honor to be in this select group. This nomination is a vote of confidence that American Honda has in our people, our performance and the long term relationship that exists between American Honda and Road and Rail Services,” said Tom Gerstle, CEO of Road & Rail Services and one of the company's founders.

Established in 1987, Road & Rail Services is a recognized industry leader and a top-tier provider of rail related services to railroads, to rail shippers, and to railcar owners. With a reputation for excellence, the Company provides service solutions with competencies in train operations (railcar switching and shortline operations), in maintenance operations (rolling stock, infrastructure, and track assets), and product handling. Road & Rail Services has operations in 18 states and has a significant impact on the North American rail network, as recognized by numerous industry awards. The Company enhances operating velocity and asset condition within the automotive, aggregate, coal / utility, intermodal, paper, and steel / metals industries.
