## **ROAD & RAIL SERVICES AWARDED TDSI TERMINAL EXCELLENCE AWARD**

LOUISVILLE, KY — Road & Rail Services, Inc., a Louisville, Kentucky-based leading provider of rail and automotive services in North America, was recently awarded the TDSI Terminal Excellence Award and named Terminal of the Month of April for its Walbridge, Ohio location. A CSX subsidiary, TDSI offers vehicle-handling services through a network of automobile-distribution facilities, storage locations and facilities providing service to Eastern, Gulf and Southeastern ports.

Road & Rail Services' Walbridge, Ohio team was honored with the TDSI Terminal Excellence Award for its outstanding performance supporting Honda's Winter Mitigation Program. Dennis Manns, Chief Commercial Officer, says, "Receiving this award is a great honor and is very much appreciated by the entire Road & Rail Services organization, especially by our local team in Walbridge. A special thanks to Bill Schultz, Dave Greene, and Derek Carter for their leadership and the entire Walbridge Team's support for a successful project completion this year."

Established in 1987, Road & Rail Services is a recognized industry leader and a top-tier provider of rail related services to railroads, rail shippers, and railcar owners. With a reputation for excellence, Road & Rail Services provides service solutions with competencies in train operations (railcar switching and shortline operations), in maintenance operations (rolling stock, infrastructure, and track assets), and product handling (in areas such as automotive origin plant operations and destination terminal operations, intermodal, and bulk commodities). Road & Rail Services has operations in 18 states and has a significant impact on the North American rail network, as recognized by numerous industry awards. Road & Rail Services enhances operating velocity and asset condition within the automotive, aggregate, coal / utility, intermodal, paper, and steel / metals industries.
