ROAD & RAIL SERVICES Receives Prestigious Award from Honda

LOUISVILLE, KY — Road & Rail Services, Inc., a leading provider of third party logistics in North America, recently received the prestigious “2019 Plant Processor of the Year Performance Excellence Award,” from American Honda Motor Corporation (AHM) of North America.

This is the seventh year that Road & Rail Services has received the prestigious award and the first year that the Road & Rail team in Lincoln, AL, has been recognized by Honda for the outstanding quality, processing and service, performed daily by each Road & Rail associate.

Established in 1987, Road & Rail Services is a recognized industry leader and a top-tier provider of rail related services to railroads, to rail shippers, and to rail equipment owners. With a reputation for excellence, Road & Rail Services has operations in 18 states and has a significant impact on the North American rail network with services that enhance operating velocity and asset condition within the automotive, aggregate, coal / utility, chemical, agriculture, intermodal, paper, and steel / metals industries.
