**ROAD & RAIL SERVICES AWARDED 2017 MOSAIC GOLD SAFETY AWARD**

LOUISVILLE, KY — Road & Rail Services, Inc., a leading provider of third party logistics in North America, was recently awarded the “2017 Mosaic Gold Safety Award,” recognizing its excellence in safety leadership and performance for its operations in Bone Valley, Florida, by fertilizer producer, Mosaic Company. The award is given to companies that have met established criteria for safety performance and met Mosaic’s standards of safety compliance.

Established in 1987, Road & Rail Services is a recognized industry leader and a top-tier provider of rail related services to railroads, to rail shippers, and to rail equipment owners. With a reputation for excellence, Road & Rail Services has operations in 18 states and has a significant impact on the North American rail network with services that enhance operating velocity and asset condition within the automotive, aggregate, coal / utility, chemical, agriculture, intermodal, paper, and steel / metals industries.
