**ROAD & RAIL SERVICES Earns Two Prestigious Awards from Honda**

LOUISVILLE, KY — Road & Rail Services, Inc., a leading provider of third party logistics in North America, was recently honored to be the recipient of two awards from American Honda Motor Corporation (AHM) of North America. The first of these awards is the prestigious “Processor of the Year Performance Excellence Award for 2018.” The second award is the “American Honda Award for Superior Quality 2018” which recognizes the automotive processor that scores the highest on AHM’s stringent quality audits and has the lowest damage to Honda vehicles.

Receiving these awards on behalf of Road & Rail Services was Robert Sadler, Vice President – Customer Service. This is the fourth year that Road & Rail’s team in Marysville, Ohio has been recognized by Honda (AHM) for outstanding safety, quality and performance excellence, demonstrating continuous improvement and best practices by every Road & Rail associate.

Established in 1987, Road & Rail Services is a recognized industry leader and a top-tier provider of rail related services to railroads, to rail shippers, and to rail equipment owners. With a reputation for excellence, Road & Rail Services has operations in 18 states and has a significant impact on the North American rail network with services that enhance operating velocity and asset condition within the automotive, aggregate, coal / utility, chemical, agriculture, intermodal, paper, and steel / metals industries.
