ROAD & RAIL SERVICES AWARDED LOGISTICS EXCELLENCE BY TOYOTA

LOUISVILLE, KY — Road & Rail Services, Inc., a leading provider of third party logistics in North America, was recently honored with the “Toyota Logistics Services Kaizen Award for Logistics Excellence for 2017”. Receiving the award on behalf of Road & Rail Services, Inc., was Kevin Brandon, President & COO, and Robert Sadler, Vice President - Customer Service.

The 3PL Kaizen Award was presented to Road & Rail Services on March 27, 2018 at Toyota’s Corporate Headquarters in Plano, TX. Earning this prestigious award demonstrates the successful collaboration between Toyota Logistics Services (TLS) and Road & Rail Services, Inc., which improved railcar and vehicle velocity performance with a cost avoidance. This award represents the teamwork demonstrated to solve complex problems by “Challenging What’s Possible.”

Established in 1987, Road & Rail Services is a recognized industry leader and a top-tier provider of rail related services to railroads, to rail shippers, and to railcar owners. With a reputation for excellence, Road & Rail Services has operations in 18 states and has a significant impact on the North American rail network with services that enhance operating velocity and asset condition within the automotive, aggregate, coal / utility, intermodal, paper, and steel / metals industries.
